Criteria for Change to Major Status in Aerospace Engineering from another Major, Pre-Major or Undeclared Status

If you wish to change to the major status in AE from another major, pre-major, or undeclared status, you will need to satisfy the following requirements:

1. You must have completed MATH 150, MATH 151, CHEM 202 or 200, PHYS 195 and PHYS 196, and AE 200 or ME 200; and received a grade of C or better in each course.

   **Major Prerequisite Courses**
   - **MATH 150**: Calculus I (4 units)
   - **MATH 151**: Calculus II (4 units)
   - **CHEM 202**: General Chemistry for Engineers (4 units)
   - **CHEM 200**: General Chemistry (5 units)
   - **PHYS 195**: Principles of Physics (3 units)
   - **PHYS 196**: Principles of Physics (3 units)
   - **AE 200**: Statics (3)
   - **ME 200**: Statics (3)

2. Students who started SDSU as transfer students must have completed a minimum of 15 units at SDSU. These units must count toward the requirements for the AE BS degree.

   Units taken toward the major: __________

3. You must have a minimum overall GPA of 2.7.

   GPA: __________

4. You must not have more than two retakes on your Degree Audit.

   # of course(s) retakes: _______

5. Students who started SDSU as First Time Freshman must have no more than 60 units on Degree Audit (units earned prior to SDSU (i.e. advanced placement) may be reviewed differently).

   Number of Units on Degree Audit: _______________________

Current major/pre-major: ________________________________

New, intended major: ________________________________

Name: ____________________________ RedID: __________ Date: __________

**If you meet the above criteria, complete the Change of Major Interest From**
